Ssmrv Pu College - PCME - 2022-24

DEGREE

Ssmrv College - BCA - 2024 - Present

EXPERIENCES

GRAPHIC DESIGNING

- "Maintained strict brand consistency across all poster designs by utilizing defined color palettes, typography, and logo usage guidelines in Canva."
- "Established a standardized set of poster templates in Canva, reducing turnaround time for new assets by 40%."
- "Leveraged advanced Canva features (typography pairing, transparency, and layering) to create professional-grade visual assets."

VIBE CODING

- Built responsive and modern websites using HTML, CSS, JavaScript, and React, focusing on performance and user experience.
- Designed and developed reusable UI components, reducing development effort and improving maintainability.
- Deployed and managed web applications using Git, GitHub, and cloud hosting platforms such as Vercel.
- Collaborated on full-stack projects, integrating front-end interfaces with backend APIs and databases.
